

CANASSIST AFRICAN RELIEF TRUST

A HEARTWARMING CHRISTMAS EVE NOTE FROM UGANDA

24.December.2017

Dear CanAssist,

From the bottom of our hearts and on behalf of everyone at EACO, we want to say ‘Thank you so so much’ for your donation towards our community. It’s our prayer that God should still keep you and continue to bless the work of your hands, well we wish you a Great Happy season and Happy New Year!!!

Namasumbi community now has access to safe and clean water in a radius of 1.5 km, this borehole is serving 600 people and 100 households as per now. It’s very dry here so this gift of the borehole came in time.

Our hope for the holidays is to continue providing this vital support in rural Mukono, Uganda in order to empower even more communities with clean water and sanitation.

Happy holidays, and it’s the season for everyday people to help change the world.

Warmly,

Shadrak Kyobe | Project Coordinator | Empower And Care Organization (EACO)
